I believe in the Holy Ghost; the holy catholic church; the communion of saints; the forgiveness of sins; the resurrection of the body; and the life everlasting. Amen.

## PCPH Property Drive

In 2001 PCPH built a new sanctuary. Now 17 years later we are facing the inevitable job of updating and property maintenance. The needs:

- Replace the double doors on the electric panel room. **\$2100**
- Enclosing of our two retention ponds, which is mandated by the state of Florida. We will be installing chain link at both ponds. **\$6500 (estimated)**
- Complete clean up of the northwest side of the parking lot. This requires removal of several trees, all of the hedges, and clearing all of the undergrowth. Also in this price is the removal of the dead tree by the front retention pond. **\$9000**
- The final two air conditioning units for the sanctuary. **\$ waiting for bids**
- Replace the Sanctuary roof. It currently is in fair condition, having survived tropical storms and hurricane winds and rain in the past 17 years. This is a near future project, 2/3 years, to replace the roof. (This is an approximate amount as costs vary): **\$62,000**

**There are 2 ways to give:**
